

Feedback Analysis and Recommendations

Academic Year-2013-14

Report on the Feedback from Students

An analysis of the students Feedback collected by the IQAC to assess the performance of teachers in curricular aspects for the session 2013-14 observed:

1. The reports collected show the communicative skills of most of the teachers of the different faculties to be satisfactory. However, the students have found some teachers to be not upto the mark.
2. The students are found to be satisfied with the presentational skills and interest with the presentational skills and interest generation and motivational capabilities of most of the teachers though they found a few of the teachers to be wanting in the same.
3. Commitment and punctuality of teachers and completion of syllabus were found to be quite satisfactory.
4. The students find the teachers approachable and friendly.

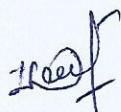

Recommendations/ Suggestions

1. To introduce the art of paper presentation and projects to major students through class seminar.
2. To have counseling sessions for future career.
3. Teachers could make learning a more enjoyable experience by organizing quiz or extempore on syllabus related topics.
